## **PARTNERSHIP BETWEEN ONTARIO FOOTBALL ALLIANCE AND GAME FILM NETWORK, LLC**

The Ontario Football Alliance is pleased to announce that our partnership with [Watchgamefilm.com](http://Watchgamefilm.com) will continue for the 2010 season. Teams throughout Canada and Ontario at all levels, including all OFC Junior and Varsity teams and many OVFL Varsity, Junior Varsity and Pee Wee teams have used a complete game film system from Watchgamefilm.com with great success. Watchgamefilm.com is an approved vendor of the Ontario Football Alliance and a company committed to serving Canadian football customers.

## **FEATURES OF A WATCHGAMEFILM.COM SYSTEM**

- **NEW 2010 PRICING!** - One comprehensive system with everything included is only **\$99 USD per year**. No extra costs are charged to your coaches, players or parents and no extra fees are required for additional features! OFA members receive a 10% discount (see instructions below).
- **Private, online sharing of game film** - Upload and share game film, scrimmage film, practice film, instructional videos etc... Determine who on your team can view film as well ("coaches only" or "coaches and players."). Add up to 100 coaches, players, parents and family members!
- **Online Film Exchange** - Stop wasting time and money on DVDs for coaches and parents as well as film exchange with other teams. Securely distribute your film online quickly and easily and at no extra cost!
- **Film Copy** – Our customers can instantly copy film from their film library to the film library of any Watchgamefilm.com customer ONLINE. This is online film exchange at its best.
- **Up to 50 GB of storage space per team** - Store literally hundreds of full length game films in your team site. Keep past year film as well as additional scout film and training film online at all times for coaches, parents and players to watch and learn at their leisure.
- **Coach's Comments** – Coach's can make comments on any part of the video allowing them to better communicate to other coaches and players. This feature is a great way to streamline film review and allows coaches to discuss, teach and prepare outside the practice field.
- **Key Plays** – Identify all the key plays in a game and create Key Play playlists for quick and easy navigation through film.
- **Upload Photographs and Documents** – Teams can upload game photographs and any important team document to share with the team. Some examples include playbooks, scouting reports (PDF or Word), waivers or other required forms that players need to complete, photos of opponents formations or your team's events, etc. Have all of your internal team documentation online and available to all of your staff and players.

- **Free Watchgamefilm.com DVD converter** – Easily convert DVDs to a video format that is ready to be uploaded to our site without buying third party software or hassling with video encoding and file conversion technology.
- **Recruiting** – Coaches or players can create player bios with links to highlight and game film.
- **Download to iPod** – In addition to our regular downloadable format, players can download an iPod compatible copy of the film allowing them to watch film on the go!
